DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication filed on 4/7/04 is not fully responsive for the following reason: the specification has not been amended properly under 37 C.F.R. 1.121, which requires that the replacement paragraph(s) must include each replacement paragraph with markings to show the changes relative to the previous version. With regard the amendment of lines 24-28 on page 12 does not indicate the deletions relative to the original version. In addition, the amendments are to lines, not paragraphs.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner Marianne DiBrino, Art Unit 1644, whose telephone number is 571-272-0842.

  
Marianne DiBrino, Ph.D.
